

MULICK PARK ELEMENTARY SCHOOL

Home of the "Cub STARS"

March 2020

From
the
Principal

Dear Parents,

As we move forward into the month of March, we continue to put an emphasis on reading and comprehension.

Students are also striving to have meaningful discussions amongst each other to share ideas and learning. This will help students improve in all areas of learning!

There is no better month than to engage in reading. Reading nightly will help your child gain fluency skills and a love for reading!

We encourage you to take some time as a family and read!

Kindly,

Thomas Standifer, Principal
