

# Mrs. Ophoff Interview

The 5 Starnews Paper interviewed Mrs. Ophoff 4<sup>th</sup> grade teacher we have 4 questions 4 answers so read the interview and read the results.

1. When did you first want to become a teacher? Mrs. Ophoff: Well when I was in the first grade my teacher let me sharpen pencils in the mornings also she was a nun and that made me want to be a teacher.
  2. Is there a certain grade you would like to teach? Mrs. Ophoff: I love to teach 4<sup>th</sup> grade. There is just something about them.
  3. Did you ever want to be a scientist? Mrs. Ophoff: No I didn't want to be a scientist. Mulick Park just made me head of science. In fact when I was young I wanted to be in the W.N.B.A.
  4. What is your favorite thing about being a teacher? Mrs. Ophoff: My most favorite thing is seeing kids excited about learning
